

FLIGHT TO FREEDOM course is finally available

Posted by ChaimMod - 02 Dec 2021 17:31

We're super excited to announce that the long awaited FLIGHT TO FREEDOM course is finally available for current GYE members.

For the past 3 years, GYE's R&D team has sifted through mountains of **brain science** research relating to **addiction and behavior change**, as well as all recovery programs and dozens of books on the topic, in order to develop the GYE FLIGHT TO FREEDOM.

This revolutionary multi-layered program contains a rich collection of evidence-based Torah-aligned tools to help you reach **long term recovery**.

The FLIGHT TO FREEDOM course is designed for people who are serious about recovery from porn and masturbation, and are willing to devote about two hours a week, for the next 9 weeks.

We need your feedback to be able to continue improving the course and the lives of the GYE members.

When I log in to f2f, the page just keeps loading, is this an issue with my filter, or is f2f.org experiencing tech issues?

the first time I had the same problem.

I requested the filter company should open it, now it's good.

My filtering company disabled the filter and it is still not working. Really don't know what to do....

When I enter f2f, it redirects me to log in to my gye account, but when i click login, the page just keeps loading but nothing actually loads?

@Menachemgye, if it would be a help to share my screen with you I'm happy to do so.

Does a setback causes to deduct of your points ?

I remember me having a lot of points, now it's 0.

I hope I'll not end up in a negative . . .

My points are also back to zero and I didn't fall. I wonder why...

@excellence

I'll PM you privately and we'll figure it out.

@A. green and @wilnevergiveup

The point system is still a bit buggy. I'll post a message next week with some updates about it.

it's nothing personal

@excellence

If you have a GYE partner, it's a lot more geshmak to do with a chavrusa. If you don't, you can get some help here on the forum.

Once you're finished with part 3 of the program (Flight Training), you'll have access to a mentor who can give you an extra boost.

On lesson 2, topic 4, there is an assessment to score the confidence level.

f2f.guardyoureyes.org/course/lessons/2/topic/13

I took it once, now I'm trying to take it again, but it takes me to a blank page. Does someone else experience that? or maybe is it the filter?

Have GYE coaches been added? I haven't been assigned one.
