I started today,

looks very very good ! and so professional !

Could you imagine ? going to the top best therapists, for free ?

May Hashem give all his best for those Tzadikim that worked on it.

And I encourage everyone to try it.

I started the F2F Program.

I'm Yiddish speaking, so it's not so easy for me. But so far it goes.

I'd like to have a partner for this, but only yiddish speaking.

You can send me a PM
