Flight to Freedom

The Flight to Freedom is a revolutionary program designed to help you reach freedom from any unwanted sexual behavior based on the latest cutting-edge behavior change & addiction research as well as many Torah sources.

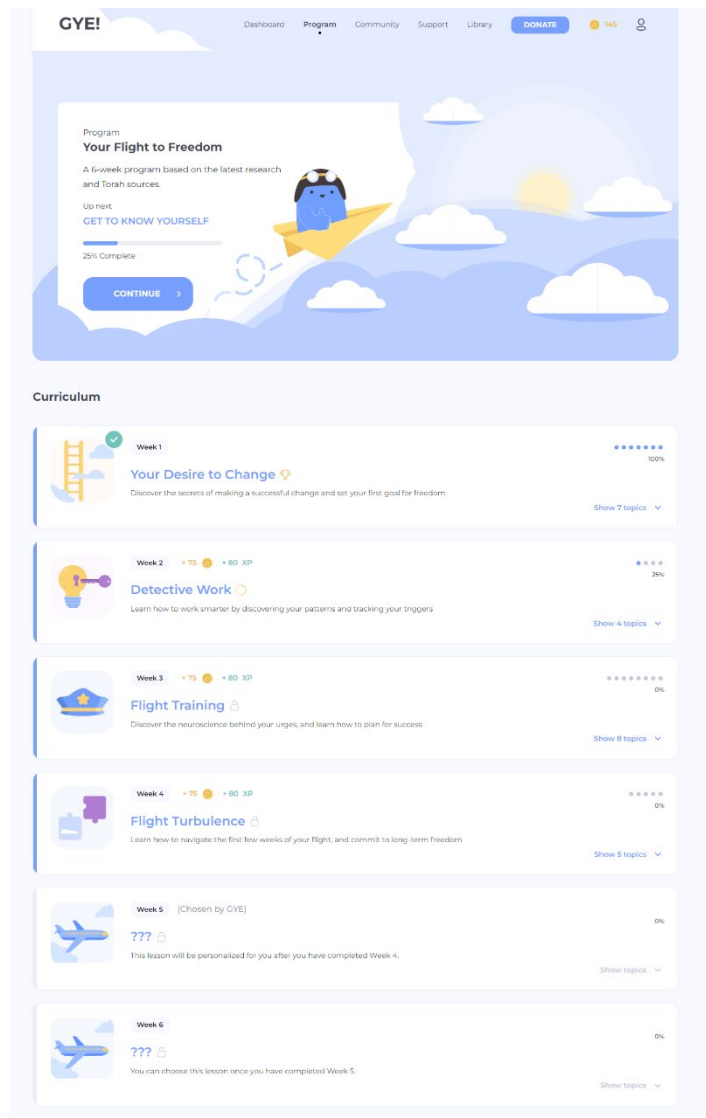

This 6-week program contains 40 video lessons recorded by Rabbi Bentzion Shafier, and 30 tools & worksheets you can download.

The lessons cover the following topics:

- How to build motivation
- The neuroscience of habits and addictive behaviors
- How to manage urges
- How to minimize temptations
- How to create a realistic & practical plan
- How to develop a positive approach to the struggle
- How to increase life satisfaction
- How to deal with setbacks
- How to stay consistent
- How to deal with painful emotions

The program is delivered in a fun and engaging way using the concept of training to become a pilot. We chose this metaphor because long-term change is a journey. Just like becoming a pilot, it takes practice and training, and like flying, it can be a thrilling experience. Finally, just like a pilot, once you learn to fly, you will always have your skills.

To access Flight to Freedom, log in to GuardYourEyes.com and click the “Program” option on the main menu.

Community

*It's much easier to reach freedom from addictive behaviors when you are not doing it alone. Therefore, we have created community features that can be found by clicking the **community** link on the main menu.*

Forum

The GYE forum is a place where you can have 100% anonymous conversations with other GYE members. You'll be able to read countless personal journeys of other GYE members, and also post about your own journey. When you post on the forum, you'll get input and encouragement from other members, including some of those who have years of experience.

The forum also allows you to have 1-on-1 conversations with other members using the Private Message system. To message a user, click on his username, and click on the small chat icon. Keep in mind that the messages on this system are reviewed by the moderator to make sure no inappropriate conversations are taking place.

To access the forum, click the Community link on the main menu, and then click on the Forum link. You can also access the forum directly at guardyoureyes.com/forum.

You can also bookmark the following links to easily see new activity on the forum:

- The recent topics link (guardyoureyes.com/forum/recent/recent-topics) will show all the topics in the forum that have been recently updated.
- The recent posts link (guardyoureyes.com/forum/recent/recent-posts) will show you a page with the latest messages from the forum.

The F2F Hub

The Flight to Freedom Hub has been created to give all Flight to Freedom users extra support and guidance. You can get help from the Flight to Freedom mentors and experts, you can discuss topics from the program, and get feedback from other members who are in the program too. If you're confused about how to use a certain tool, and how to apply the Flight to Freedom strategies to your particular situation, use the GYE hub to get a quick response.

Here are some tips for using the hub:

- Be supportive and encouraging to each other. Comments and Likes 👍 are encouraged. Celebrate 🎉 each other's accomplishments.
- Be open to giving and getting feedback.
- Accept each other without making judgments. Be respectful and sensitive. Be polite.

- Always be honest.
- Have a positive attitude.

While the moderators do their best to monitor the hub, we need your help too. If you notice any inappropriate posts, or if a member sends you an inappropriate personal message through the hub please email help@guardyoureyes.org.

You can access the hub by clicking the community link on the main menu. It can also be accessed directly at hub.guardyoureyes.com.

The GYE Chat

The GYE chat feature allows you to have instant anonymous chats with other GYE members who are online at the same time as you. This is a good way to discuss your situation and get some immediate moral support from another member.

For your protection, all private chats are monitored.

While it is a good thing to be open and honest with others, it is not helpful to paint a picture with vivid details of what we struggle with. This can be triggering for both parties. It's best to share what has worked for us in our own experiences rather than trying to think up good advice for the person we are chatting with.

We are not here to play therapist/rabbi, we are here as people who could relate to each other because we've been through similar situations. Sometimes just being understanding, even if we don't have all the answers, is helpful.

People may offer to be in touch via email, cellphone apps, phone, etc. Unless you have chatted with them to the point that you feel comfortable with them and feel that they are stable, this is not recommended.

Though the chat feature is moderated, and best efforts are made to keep malicious users out, some can slip through the cracks. If you have reason to believe that a user is a danger to others, please email help@guardyoureyes.org.

Partner Program

Shlomo Hamelech says in Koheles: מן האחד - כי אם יפלו, האחד יקים את חברו טובים השנים.

“Two are better than one... for if they fall, they can lift each other up.” (Koheles 4:9-10)

What Shlomo Hamelech is saying is that even getting support from someone in the same position as you can be a very big help. Keeping in touch with another person who has struggled with the same behaviors as you can be a game-changer and significantly increase your chances of reaching freedom.

To make it easier for you to find a suitable partner we have created a Partner Program feature which has a database of hundreds of GYE members who are looking for a partner as well.

Once you sign up to the partner program, you'll be able to search the database by:

- Marriage Status
- Age
- Location
- Background
- Contact Preference (e.g. phone, text or Whatsapp)
- Language.

The system will also automatically suggest suitable candidates for you in the “My Matches” tab.

To find out more about your potential partner, click on their username to see what they wrote about themselves. If you think the person is suitable click the “Request to become their partner” button. This will then send them an email asking them whether they are willing to partner with you. They will see a summary of what you wrote about yourself when you signed up to the Partner Program to help them to decide whether you are a good match for them.

If they accept, then the GYE website will send each of you an email with the other person's contact info.

To join the partner program or find a match, click the Community link on the main menu, and then click Partner Program. You can also access the Partner Program directly at guardyoureyes.com/tools/partner-program.

Tips:

- If you used your personal email address when you signed up for GYE, it's a good idea to use a separate anonymous email address for the partner program. To change the email address used for the Partner Program go to your Partner Program profile (Community > Partner Program > Update / Remove Profile), and select “I'd like to use a different email for the partner program.”

Welcome Pack

- If the partnership works out, and you fully trust your partner, you might be willing to share your real email address with him.
- It's also a good idea to create a virtual phone number using Google Voice for the Partner Program. Once you fully trust your partner, you might be willing to share your personal phone number with him.
- The Partner Program allows you to make up to 3 requests at a time. If you want to make additional requests, then cancel some of the previous ones, by visiting the "Pending Requests" tab, or the "My Relationships" tab in the Partner Program menu.
- If you're not able to find a partner through the Partner Program, you can try to reach out to members via the forum or the hub.

Support

How to Contact GuardYourEyes

You can contact Guard Your Eyes to get more info about any of our services.

- For all the support options, log in to the website and click **Support** on the main menu.
- You can also reach the GuardYourEyes team by emailing help@guardyoureyes.org

Therapy

While GuardYourEyes is a great self-help resource for reaching freedom and offers many support and community options, it's often a good idea to see a therapist

who will help you understand some of the underlying issues behind your behavior.

An excellent place to begin your search for a suitable therapist is RELIEF, the non-profit organization with a database of highly qualified mental health professionals suitable for helping from Jews. You can schedule a free, confidential appointment with one of their referral specialists at www.reliefhelp.org. (Expect to wait 24-48 hours before receiving a response.)

Amudim (amudim.org) can also be a good resource for therapist referrals and extra guidance that you may need. Email: info@amudim.org or call 646-517-0222.

The 12 Step Program

The 12 Step Program

For the last eighty years or so, the Twelve Step program has helped tens of millions of people find relief from the vicious cycle of addiction.

GuardYourEyes can help you to decide if the 12-step program might be a good choice for you. To discuss, call or text Dov at 917-414-8205 or write to wequithiding@gmail.com.

12-Step Phone Conferences

Dov, a GuardYourEyes volunteer who has been sober as a result of a 12-step program for over 25 years, runs a weekly 12-step phone meeting. The group is called **Dov's Desperadoes** because they are serious about trying to work the steps together as best they can. Callers have a safe place to ask any questions and discuss how to break through barriers people have to each step as they arise.

If you're interested in joining and want to discuss whether this group is a suitable option for you, call or text Dov at 1-917-414-8205 or write to wequithiding@gmail.com.

SMART Recovery

SMART Recovery is a support group that empowers people to achieve independence from addictive behaviors using a science-based 4-point program:

1. Building and Maintaining Motivation
2. Coping with Urges
3. Managing Thoughts, Feelings, and Behaviors
4. Living a Balanced Life

If you live near Lakewood, you can join a Jewish SMART Recovery group intended for GYE members. For more information, email the organizer at smartlakewood@guardyoureyes.org.

If you live near Brooklyn, you can join Flight to Freedom Brooklyn. This is a group that is similar to SMART Recovery, but that uses the tools from the Flight to Freedom program. For more information, email the organizer at smart@guardyoureyes.org.

To learn more about SMART Recovery in general, visit smartrecoverylakewood.org or smartrecovery.org.

Filter Information

Having access to unfiltered internet is like walking a tightrope. Falling is just a click away, and inappropriate material often pops up even when we're not looking for it. So if you're determined to reach freedom from pornography, it's essential to have good filters installed on your devices.

Another solution is accountability software. Unlike filters, this type of software won't necessarily block any websites on your device. Instead, it sends a report of any suspicious activity to a friend or family member. The knowledge that someone will find out if you visit an inappropriate site can help you resist the temptation to view pornography.

Here are some recommendations:

Device Type	Filters	Accountability Software
Windows	GenTech Meshimer Techloq Netspark Nativ USA	Webchaver Truple
Android	GenTech Meshimer Netspark	Webchaver Truple.
iPhone / iPad	GenTech Meshimer	Webchaver Truple (with limited functionality).
Chromebooks	N/A	Truple

If you're not sure which filter will work best, or need some help with installing it, fill out the form at guardyoureyes.com/protection, and someone will get back to you.

Another option is to reach out to TAG at <https://tag.org>.

Dashboard

Success Tracker

The **Success Tracker** tool is available on your dashboard which has been designed to help you track your progress as you work on reaching freedom. You can record your urges, setbacks, and victories on a daily basis.

Progress Area

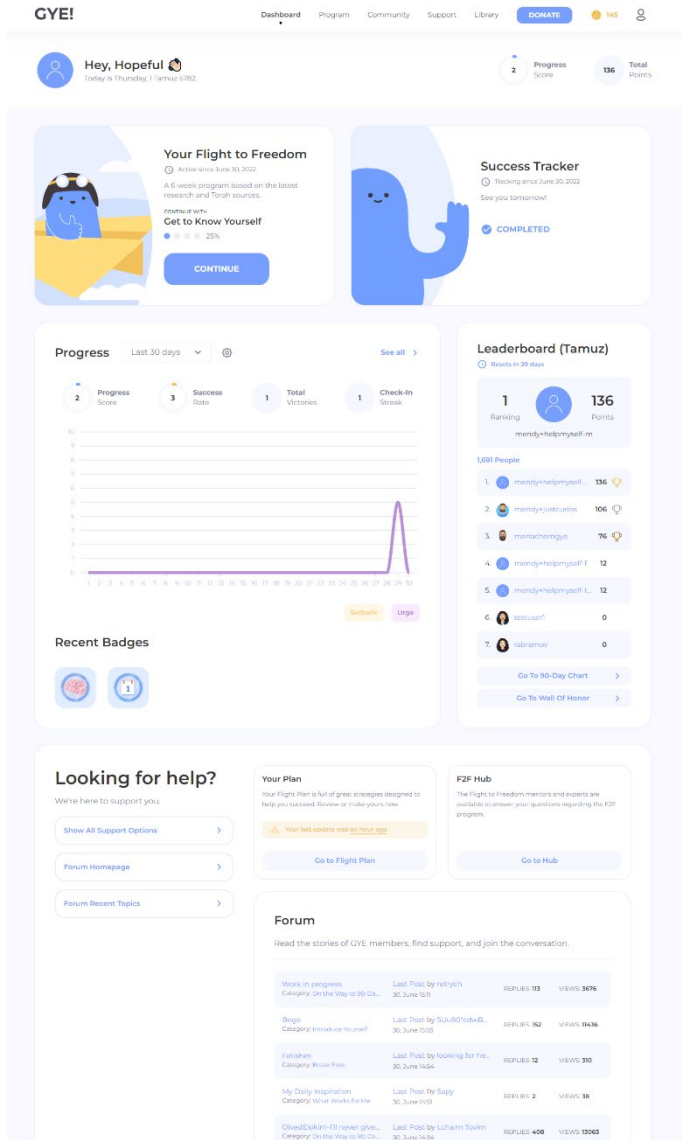

As you use the Daily Reflection tool your data will be displayed in the progress area of your dashboard in two ways. One is a graph showing trends, and the second is a series of stats that are displayed across the top.

The graph will give you a big picture view of your progress over time, for example, the last 30 days or 3 months. This will help you see your trends and patterns of urges and setbacks.

The stats are displayed on 4 dials above the graph, which gives you a detailed view of your progress according to 4 data points:

- The first score is your **Progress Score**, which uses a unique algorithm to calculate the ratio between time and setbacks during the past 30 days. For example, if you had a setback within the past 7 days your score will be lower than if you had a setback 25 days ago. If you go for 30 days without any setbacks, your progress score will be 100.
- The second score is your **Success rate** will show you the *percentage* of clean days you've added during the past 30 days.
- The third score is your **Total Victories** which will show how many days you have marked as victories since signing up at GYE.
- Finally, you'll see your **Check-In Streak** score which will show you how consistent you are with using the Daily Reflection tool.

The progress area is a great way to track your daily and monthly activity as you work towards your goal.

Leaderboard

The leaderboard on your dashboard will show you how engaged you and other members are on the GuardYourEyes website. As you do activities on the site (for example using the Daily Reflection tool), you will earn points that will help you to climb up the leaderboard. Every *Rosh Chodesh* the leaderboard is refreshed giving everyone a fair chance to get to the top.

Earning Coins

GYE has a virtual coin system that is designed to incentivize you and reward your efforts to reach freedom. You can earn virtual coins by doing the following activities:

- Completing Flight to Freedom lessons
- Using the Daily Reflection tool
- Completing the suggested activities shown on the top of your dashboard

The amount of coins you've earned is displayed on the top bar of the website. When you click on the number of coins shown there, you'll be taken to the "Duty-Free Store," where you can redeem them in exchange for bonus resources.

Customize Your Avatar

Every GYE has the opportunity to create a personalized avatar for their profile which is displayed in a few places around the site. To change how it looks by clicking the profile icon on the top menu > settings > change avatar.

The 90-Day Chart

On the bottom of the leaderboard, you can find a link to the **90-day chart**, which is GYE's legacy tracking system. You can also access it at guardyoureyes.com/tools/90-day-chart.

The 90-day chart is a leaderboard that ranks members according to how many **days in a row** they have been able to stay clean. The closer you are to 90 days the higher you'll show up on the chart. Each time you pass a certain milestone (3 days clean, 7 days clean, etc.), you'll earn a special medallion that will be displayed next to your profile.

If you have a setback before 90 days, you'll return to the beginning and re-start your 90-day journey. After 90 days you'll be added to the Wall of Honor where you will continue to be awarded medallions for reaching even bigger milestones.

Just looking at the usernames on the 90 Day Chart and Wall of Honor, and reading their posts on the forum can be a source of inspiration.
